Civilian Citation - Mr. Gary Casteel

On May 19th, 2010, Mr. Gary

Casteel confronted four men in a neighbor's driveway after observing two men carrying items to a vehicle occupied by two other men. Mr. Casteel attempted to detain the men then called 911 with a vehicle description when they fled the scene.

Responding officers located and stopped the vehicle and apprehended all four subjects. A further investigation revealed that the men were involved in numerous larcenies. Mr. Gary Casteel's actions resulted in the apprehension of four felons, and in doing so, helped make the City of Lansing a safer place. Mr. Gary Casteel is awarded the Civilian Citation.

Vision Statement

"Police and Community Partnerships for Progress and Excellence"

Mission Statement

The mission of the Lansing Police Department is to reduce and prevent crime, maintain order and preserve public safety. Accomplishment of our missions fosters a better quality of life and makes our City a better place to live, work and visit.

Department Goals

- Reduce crime, reduce repeat calls for service and increase citizen satisfaction by delivering quality police service in a lawful, sensitive, safe and professional manner in order to protect life, property and maintain public peace.
- Prevent crime and maintain order through police action; targeting specific problems.
- Enhance organizational excellence through education, training and technology.
- Identify and analyze problems, explore alternative solutions, and encourage regional cooperation.
- Create and maintain open lines of communication to promote partnerships with our community.
- Encourage and support citizen involvement and leadership to improve the quality of life at the neighborhood level.
- Employ personnel that meet standards of professional excellence and represent the diversity of our community.
- Promote job satisfaction, open communication and team building through employee participation in decision making.
- Maximize the use of available resources.

S.T.A.R.T. Service Commendation - Lieutenant Darin Southworth

The Lansing Police Department Special Tactics and Rescue Team (S.T.A.R.T.) provides a valuable law enforcement service beyond the capabilities of Uniform Patrol Officers. While becoming a law enforcement officer is more of a lifestyle than an occupation, becoming a S.T.A.R.T. negotiator requires even greater lifestyle adjustments. S.T.A.R.T. negotiators must not only maintain their normal assignment responsibilities but they are also required to excel in their negotiating capabilities. S.T.A.R.T. is an on-demand assignment that requires the officer to perform to their full potential at a moments notice. Rain or shine, family gathering or holidays, these officers constantly place themselves and their families below the needs of their fellow officers and the citizens of Lansing. The sacrifices that S.T.A.R.T. negotiators make are great but they are made knowing full well they are trying to help someone in crisis. These officers should be commended for their dedication and commitment to both the Lansing Police Department and the citizens of Lansing for providing such a valuable service. Lieutenant Darin Southworth is awarded the S.T.A.R.T. Service Commendation for his dedication and commitment that resulted in the successful resolution of 100 incidents. Dear Citizens of Lansing:

I am proud to present the Lansing Police Department's 2010 Annual Report. The purpose of this report is to highlight the accomplishments of the Lansing Police Department over the past year and to celebrate the City of Lansing's "*Unsung Heroes*". The Lansing Police Department continues to hold strong to its community connections through programs, partnerships and local organizations such as Polar Plunge, the Police Athletic League, H.O.P.E. Scholarship Program, St. Baldrics Children's Cancer Research, Safe Prom Initiative, Special Olympics Torch Run, Shop With A Cop, No Senior Left Behind, Senior Prom, Old Newsboys, Board of Water & Light Chili Cook-Off, Toys for Tots and many, many other community activities.

The safety of our City remains a top priority under my administration. While the state of the economy has definitely made an impact on the department, our sworn and non-sworn personnel is committed to meeting the public safety needs for the citizens of Lansing.

Thank you to the dedicated men and women of the Lansing Police Department, Teresa A. Szymanski, Chief of Police, the Board of Police Commissioners and to Lansing's "*unsung heroes*".

Respectfully,

Dear Mayor Bernero, Board of Police Commissioners and Citizens of Lansing:

It is an honor and a privilege to serve as your Chief of Police. I completed my first full year as Chief of Police in March, 2011. The year was filled with daunting challenges that tested our Department's core. I learned a lot my first year and will continue to work hard in leading this department as we face new challenges and obstacles in the future.

This annual report provides information and insight about the outstanding work performed by the employees of the Lansing Police Department each and every day. It is because of their hard work, outstanding performance, professionalism and dedication that the Lansing Police Department has developed the professional reputation it holds today.

I believe there isn't a more self-sacrificing and dignified profession than that of a law enforcement officer providing safety and security to a community. Thank you to the employees for your commitment and dedication to the Lansing Police Department and the Lansing community and last but not least, thank you to the citizens of Lansing for your encouragement, support and faith in the Lansing Police Department.

Sincerely,

Teresa A. Szymanski
Chief of Police

Internal Affairs Section

The Office of Internal Affairs (OIA) is established under the direction of Chief of Police Teresa Szymanski. The OIA is composed of Lieutenant Daryl Green and Sergeant Tom Fabus whom report directly to the Chief of Police on Internal Affairs matters. The office investigates alleged violations of departmental rules, policies, procedures and civil and criminal complaints against Lansing Police employees. Each complaint is objectively investigated and a determination is made whether to sustain the allegation and take appropriate disciplinary action.

In addition to complaints, the Office of Internal Affairs monitors Use of Force, Vehicle Pursuits, Firearm Discharges, Vehicle Accidents, Commendations and other reported activities which bear on the performance of the Police Department.

Dear Mayor Bernero:

On behalf of the Board of Police Commissioners, it is my privilege to present the Lansing Police Department 2010 Annual Report to you and the citizens of Lansing.

The employees of the Lansing Police Department made it through another challenging year and continued to maintain the high level quality of service provided to the citizens of Lansing, all while cutting costs and reducing the work force. The Lansing Police Department steadfastly remains committed to reach the number one goal of the organization with every new year to reduce crime, reduce repeat calls for service and increase citizen satisfaction by delivering quality police service in a lawful, sensitive, safe and professional manner in order to protect life, property and maintain public peace. Ensuring the safety of our citizens and serving the residents of Lansing remains top priority. As reflected in this report, our employees continue to maintain and strengthen partnerships with residents and businesses in Lansing through many programs and community events throughout the year.

The Board of Police Commissioners is proud to present the 2010 Annual Report highlighting the achievements and activities of our employees. Thank you to the men and women of the Lansing Police Department who serve so proudly.

Sincerely,

Individual Commendation – Officer Shannon Thielen In the summer of 2010, Officer Shannon Thielen asked for and received permission to take on an additional responsibility. Officer Thielen is very proficient in the Electronic Crash and Citation system that both the Police Department and the District Court utilizes. Officer Thielen took on the task of making personal contact with each and every road patrol officer, on both the day shift and night shift, in order to train them and provide updates on the ECRASH system. Additionally, Officer Thielen follows up with Officers in order to minimize future errors and increase efficiency. Officer Thielen has demonstrated an efficient and valuable service to the Lansing Police Department. Officer Shannon Thielen is awarded the Individual Commendation. *(See photo front cover and page 4)*

Community Policing Officers (CPO)

Northtown Neighborhood—CPO

Boundaries South—Saginaw Street North—Grand River Avenue East—Cleveland Street and West—Ballard Street

Officer Michael Lam assumed responsibilities in the North Town area from Officer Darren Blount in 2010. Officer Lam is a 14 year veteran of the Department. He has worked very hard to maintain the trust and confidence of his neighbors. Officer Lam has addressed street level narcotics trafficking and loitering issues as well as making regular visits to area businesses. Officer Lam has been dedicated to the northeast side of Lansing for most of his years with Lansing Police. He has a keen ability to stay informed of problems in and around his area. You may reach Officer Lam at 517-483-6058.

Wainwright Neighborhood—CPO

Boundaries South—Reo / Risdale, North—Hillcrest, East—Pleasant Grove, West—Stillwell

Officer Katherine Diehl is a 12 year veteran of the Department assigned to the Wainwright Neighborhood. Officer Diehl's office is located at Wainwright Elementary School. Numerous hours have been spent patrolling in an unmarked and marked car, on bicycle and on foot in the Churchill Downs and LaRoy Froh neighborhoods. Officer Diehl participates in neighborhood picnics and community meetings. Officer Diehl spent numerous hours on problem solving efforts related to drugs, gang and gang graffiti issues, home invasion and basic juvenile complaints. Officer Diehl is looking forward to working with Lansing Housing Commission, Parks and Recreation and Boys and Girls Club resources. You may reach Officer Diehl at 517-483-6868 ext. 9642.

Donora Neighborhood—CPO

Boundaries South—Mt. Hope, North—Railroad Tracks, East—Cedar Street, West—Pennsylvania Avenue

Officer Brian Whatsitt took over Baker / Donora Neighborhood responsibilities from Officer George Kelley in 2010. Officer Whatsitt has continued the strong partnership with Neighborhood Watch leaders, community leaders and the staff at the Baker / Donora Center established by his predecessors. Officer Whatsitt attends community meetings, addresses complaints, works closely with Code Compliance and has been extremely resourceful. Officer Whatsitt was recognized by his neighbors, in December, with an award for his commitment and dedication to community improvement. This is consistent with his performance over the course of his 15 year career with the Department. You can reach Officer Whatsitt at 517-483-6868 ext. 9126.

Downtown Neighborhood-CPO

Boundaries Shiawassee Street East—Grand River, and West—Capitol Avenue

Officer Robert Merritt turned over responsibilities of the Downtown to **Officer Catrina Cook** in September. Officer Cook is a 12 year veteran of the Department. The Downtown Community Police Officer attends the downtown business meetings, assists with downtown events, addresses concerns from the business community and provides a general sense of security through high visibility during the business day. Officer Cook has begun building relationships with Cooley Law School to ensure the security needs of their campus and students are met. You can reach Officer Cook at 517-483-6868 ext. 9632.

Moores River Neighborhood—CPO

Boundaries South—Mt. Hope, North—Railroad Tracks, East—Bradley, West —Washington

Officer Janelle Berry took over Moores Park Neighborhood duties from Officer Chad Frazier in 2010. She is a 13 year veteran of the Department. Officer Berry works closely with neighborhood leaders, landlords and the Special Operations Section to eradicate crime in her area. Officer Berry patrols her neighborhood on foot and bicycle whenever the weather permits. She participates in Neighborhood Meetings and Land Committee Meetings regularly. Officer Berry routinely partners with other officers to address reoccurring problems in and near her area. Officer Berry has played an integral role in the Michigan Prisoner Reentry Initiative and works hard to ensure our community remains as safe as possible. You may reach Officer Berry at 517-483-6868 ext. 9570.

Pine - Saginaw Corridor-CPO

Boundaries North—Saginaw, West—MLK, East—Walnut, and South—Ottawa

Officer Jeff Winarski is assigned to the Pine / Saginaw Corridor. Officer Winarski has demonstrated the ability to build relationships, stay informed and solve quality of life issues. He has done this through employment of several policing strategies such as Team Policing, enlistment of Special Operations Section for street drug problems and patrolling in a car, on foot and on a bike. Officer Winarski works several festivals in his area and throughout the City. His area has three neighborhood parties on National Night Out. Officer Winarski has been suggested as a possible Bea Christy candidate for his community service efforts. This would be a well deserved honor for this 13 year veteran of the Department. Officer Winarski can be reached at 517-483-6868 ext. 9285.

Kalamazoo Street Corridor-CPO

Boundaries South—Railroad tracks, North—Michigan, East—Clemens, West—Pennsylvania.

Officer Richard Ballor is in his second year as the Kalamazoo Corridor Officer. Officer Ballor is a 14 year veteran of the Department. He has a very active area with continued challenges of street drugs and prostitution. Officer Ballor has a unique balance of aggressive crime fighting and community networking. There are highly dedicated neighborhood leaders in his area that he remains accountable to. Officer Ballor employs team policing strategies and routinely works with Special Operations Section personnel to suppress prostitution. The addition of Officer Ballor as a CPO in Team 7 has been a tremendous asset. Officer Ballor can be reached at 483-6868 ext. 9138.

Neighborhood CPO

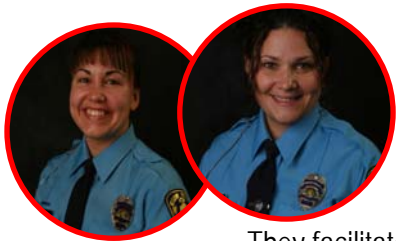

Boundaries North—Kaynorth, South—Miller, East—Pennsylvania, West—Cedar.

Officer Bill Windom has been assigned this area for nearly two years. This area has unique concerns due to the large ratio of refugees. Officer Windom has taken time to familiarize himself with cultural differences and extend resources to these neighbors. In addition to his immediate neighborhood responsibilities Officer Windom works closely with the Ingham County Parole Office and the Michigan Prisoner Reentry Initiative. Officer Windom has established great working relationships with his business owners and apartment complex managers. He uses his 13 years of Department experience, including time with Special Operations, to obtain the resources necessary to curb drug problems for the long term. Officer Windom can be reached at 483-6868 ext. 9557.

Community Service Unit - CSU

In September of 2010 *Officers Sarah Nolen* and *Jeromy Churchill* turned the CSU over to *Officers*

Theresa Mironiuk and *Penni Elton*. Officers Mironiuk and Elton have twelve and eight years of service with the Department, respectively. Community Services Officers are responsible for facilitating the needs of nearly 100 Neighborhood Watch Groups and over 50 Neighborhood Associations throughout our City. CSU officers maintain the Citizen Observer which is a web-based Neighborhood Watch Program that keeps citizens informed of daily crime and awareness information.

They facilitate the training of Crossing Guards, conduct property security surveys and conduct community education programs related to crime prevention and safety.

Neighborhood Watch is designed to get neighbors involved, watch over one another, communicate and know when and how to notify police of criminal or suspicious behaviors. CSU officers train neighborhood leaders and encourage them to share the Crime Prevention information with their neighbors. The Community Services Unit *regulated over 3,300 alarm sites* ranging from false alarms and alarm billing on a daily basis. They also oversee the *River Trail Patrol* that operates during warm months for purposes of maintaining safety and security of the River Trail's many users. CSU is also responsible for the *Handicapped Parking Enforcement* volunteers who cited more than 1500 violations and 300 warnings. CSU Officers attended several *City Hall on the Road* events and *Silver Bells in the City* where they pull the Neighborhood Watch float with its many volunteers.

Business Watch is being taken to a City wide level. Officers Elton and Mironiuk, through the support of several business leaders and the Greater Lansing Chamber of Commerce, will be growing the initiative launched by Officer Nolen for South side businesses. The project has a head of steam and is shaping up to be another great service for our community in 2011.

School Resource Officers - SRO

Sexton High School - Officer Brent Sorg (10 year veteran) can be reached at 517-755-2076.

Officer Remson Jack, Jr. (5 year veteran) was the SRO for Harry Hill Vocational School at the beginning of the year but when it closed for the Fall 2010 start of school, Officer Jack shared time at Sexton and Everett. Officer Jack can be reached at 517-803-0118.

Eastern High School - Officer Robert McBride (12 year veteran) is also the varsity football coach for the Eastern Quakers. He can be reached at 517-755-4260.

Everett High School - Officer Damian Manson (12 year veteran) is also an assistant varsity football coach for the Vikings. You can phone Officer Manson at 517-755-2086.

School Resource Officers have played an integral role in the school culture. SRO's routinely monitor the halls and campus to ensure a safe environment for both students and staff. SRO's enforce law, support school security and administration with school code matters and liaison between School, neighborhood and City officials. SRO's teach classes, counsel students and most importantly, provide encouragement, motivation and mentoring to many students that truly benefit. This group of officers has done a remarkable job of building relationships with students which have benefited the school and community by preventing incidents that jeopardize public safety. All of them have attended Home Land Security training specific to school violence. Their teachings in the school have included internet safety, bullying prevention, illegal drugs awareness and modified "Scared Straight" type programs. SRO presence in our schools has improved security and discipline policies and brought a heightened degree of comfort among students and staff who simply want to feel safe in their scholastic environment. These four officers have taken ownership of the assignment, their school and provide service with a genuine pursuit of making a difference.

Unit Commendation - Sergeant Todd Johnson

On February 27, 2007,

Sergeant Todd Johnson was part of a major criminal investigation that involved a homicide. Sergeant Johnson was part of a team of Detectives that had worked diligently on the case and had determined the location of the accused. As Detectives were traveling to Clinton County, the accused passed them in a vehicle going the opposite direction. As the Detectives turned around in order to follow the accused, the accused abruptly pulled his vehicle to the shoulder of the roadway and fired two shots in the direction of the Detectives. The Detectives heard a third and final shot, in which the accused took his own life. Each member of this unit contributed their talents to the success of this investigation. The unit demonstrated outstanding police services and helped solve a tragic crime. Sergeant Todd Johnson is awarded the Unit Commendation. *(See photo front cover and page 4)*

Certificate of Merit – Detention Officers Joseph Diaz and Lorrie Ridenour

On February 7th, 2010, a subject was brought into the Lansing Police Department's Detention Facility and collapsed during the booking process. Detention Officers Joseph Diaz and Lorrie Ridenour recognized the seriousness of the situation and began checking the subjects vital signs and determined that the subject had dangerously low blood sugar levels. Detention Officers Joseph Diaz and Lorrie Ridenour worked collectively in providing aid to the subject until medics could arrive and transport the subject to a local hospital. Both Officers acted with outstanding performance and initiative during the incident. Joseph Diaz and Lorrie Ridenour are awarded the Certificate of Merit. *(See photo front cover and page 4)*

Life Saving Award – Maurice Jones

On November 17th, 2010, Officers were dispatched to an address on Cleo Street in order to check the welfare of a subject. The call was placed by Mr. Jones, whom had a standing appointment with the subject every Wednesday. Mr. Jones found it unusual that the subject did not answer the door and he contacted the police. Based upon the excellent information provided by Mr. Jones, Officers made entry into the residence and found that the 84 year old victim had fallen and could not get up. The victim laid on the floor for approximately three days with no food or water until the Officers found her. The victim was transported to a local hospital for treatment. Due to his awareness, concern and actions, Mr. Maurice Jones is being credited with saving the life of a human being. Mr. Maurice Jones is awarded the Life Saving award. *(See photo front cover and page 6)*

Volunteer Programs and Employees' in the Spotlight – *Heroes Come In All Shapes and Sizes!*

- Lansing Police Department operates wide-ranging **Volunteer Programs** which enhance and support various community collaboration initiatives. Volunteers are recruited for a variety of community-based efforts that include support services, security and parking enforcement.
- The **Patrol Division and the Investigations Division Information Desks** are staffed by volunteers who perform a variety of duties, including greeting visitors, answering phones, giving directions and entering certain crime data.
- **Victim Advocates** are trained to accompany Officers and assist victims and their families during traumatic events. Victim Advocates console, support, and assist with grief counseling, funeral arrangements and referrals for support services. They interact with the victims' family as needed and provide a valuable liaison during the subsequent investigation.

- **Safety Prints** photograph and fingerprint children and document important identification records for parents to access if the child is seriously injured or missing. We have just completed another outstanding year of providing child finger printing and DNA kits to the public. Several events throughout the year were conducted resulting in 2,934 children / adults finger printed, 2,990 DNA kits distributed to the public and many volunteer hours donated.
- **Handicap Parking Enforcement** ensures access to available parking for physically challenged visitors and enables Police Officers to focus on patrol duties. Eight trained volunteers patrol parking areas open to the general public to enforce handicap parking violations.
- **River Trail Patrol** utilizes over 28 volunteers who use golf carts to patrol the trail, give directions, address minor medical needs and enhance overall trail security. Thousands of citizens utilize over thirteen miles of River Trails along the Red Cedar and Grand River in Lansing.
- **Capitol Area Response Effort (C.A.R.E.)** is a first responder program for domestic violence victims / survivors. The C.A.R.E. Program has been in operation for eleven years and is located in the Investigations Division. C.A.R.E. consists of 3 full and 1 part time staff and 42 volunteers. C.A.R.E. staff and volunteers are dispatched after an arrest has been made by local police departments: Lansing, East Lansing, Meridian, Lansing Township and Michigan State University. Non-arrest contact with the victim is also available when she / he is at a local hospital or precinct. C.A.R.E. provides crisis intervention with the victim / survivor in the form of empathy listening, education on the power and control of the abuser, community referrals as well as follow up advocacy. Follow up advocacy consist of but not limited to: safety planning, transportation to community agencies, personal need closet, changing of locks and civil and criminal advocacy assistance.

Life Saving Award - Officer Brian Rendon On November 26th, 2010, Officer Brian Rendon responded to 901 West Northrup Street for a medical call of a three year old not breathing and that CPR was being performed. Upon arrival, Officer Rendon observed that the parents of the child were visibly shaken and scared due to the child not breathing. Officer Rendon calmed the parents, cleared the child's airway, allowing the child to breath. Officer Rendon carried the child out to the arriving ambulance where medics took over. Due to Officer Rendon's actions, he is credited with saving a human life. Officer Brian Rendon is awarded the Life Saving award. *(See photo front cover and page 4)*

Citizen Metal of Valor - Ricardo Lozano On November 7th, 2010, Officer Daryl McCulloch was chasing an accused subject on foot that was involved in a home invasion. Mr. Lozano observed the foot chase and without knowing what the accused was wanted for, or if the accused was armed with a weapon or not, started running after the accused. Mr. Lozano tackled the accused until Officer McCulloch could secure the accused. Due to the immediate response and risking his own personal safety to come to the aid of a police officer, a felon was taken off the street. Mr. Ricardo Lozano is awarded with the Citizen Medal of Valor. (See photo page 5)

Patrol Division

The Patrol Division is the backbone of the Lansing Police Department. Each and every day the men and women of the Patrol Division put their lives on the line for the citizens of Lansing. As an organization, our mission is to minimize crime, maximize public safety, maintain order and enforce the law. We have pledged to uphold the trust and confidence of our citizens by partnering with them to solve community problems. These strong partnerships and positive working relationship are the cornerstone of keeping the City of Lansing a safe place to live, work and visit.

The Patrol Division is located at 740 May Street in the Northeast part of the City. The Patrol Division consists of 161 employees. The Division Units consist of officers from Road Patrol, Canine Unit, Community Policing, School Resource Officers, Neighborhood Watch and Traffic Unit.

In June of 2010, The Lansing Police Department transitioned from the Precinct Model and consolidated police services into Divisions. Although the Precinct Model served the Lansing Police Department and the community well, the consolidation has made the department more effective and efficient. Since the consolidation, the citizens of Lansing have not noticed any change in police services or response time. This is a direct result of our police officers deploying from their vehicles and not buildings. In fact, the Lansing Police Department Patrol Division has been able to increase the number of officers being deployed while reducing overtime cost. The Patrol Division is currently deploying 18 to 20 officers per shift.

The Patrol Division is divided into two (2) road patrol shifts. The day shift consists of 57 officers and is lead by Lieutenant Lisa Phillips. The night shift has 58 officers and is lead by Lieutenant David Nosotti. Lieutenant Darin Southworth supervises the Community Services Unit, Traffic Unit, Community Policing and School Resource Officers.

The City is divided into 16 Team Areas. Each Team is assigned a Team Sergeant and Team Officers from both day and night shifts. Since 1996, the Lansing Police Department focused on a Team Policing strategy to fighting crime. In 2010, The Patrol Division expanded on the foundation of Team Policing by implementing "Hot-Spot" Policing and SMART/ Intelligence based policing. "Hot Spot" and SMART policing is based upon the fundamentals of using crime mapping, crime data and up to date community intelligence in fighting crime. The Patrol Division also expanded the use of bicycle patrols, neighborhood watch, and community policing for day to day operations. In addition, the Patrol Division participated in numerous community engagement activities such as Touch-a-Truck, National Night Out, Baker / Donora Extreme Makeover, Shop With a Cop, At-risk Luncheons, Officers reading in the schools, Neighborhood Egg Hunts, Trick or Treat in the Square, community picnics and meetings in our neighborhoods.

Not only is The Lansing Police Department a leader in Community Policing, but it was also one of the first motorized police departments dating back to the early 1910's. In August of 2010, the Patrol Division celebrated the Lansing Police Department Motor Unit's 100 Year Celebration.

In order to maintain the quality of life in our neighborhoods and community, it is paramount that each citizen gets involved and works closely with the community in gathering and sharing helpful information with the police department. The strong partnerships we have built with the community are not taken for granted and Neighborhood Watch is the foundation for continued success.

The Officers of the Lansing Police Department Patrol Division are proud and honored to be serving the community of Lansing and we thank you for your continued support.

A Message from Captain Raymond Hall

Investigations Division

I was asked recently, "What are the major responsibilities of the Lansing Police Department Investigations Division?" Please allow me the opportunity to introduce my work groups in what I know is some of the most challenging and interesting work in the law enforcement field. Our teams of professionals are in the news, at community events and working crime scenes daily here in the Capital City. The goal of the Investigations Division is to resolve investigations working with service area investigators, prosecutors, medical professionals, crisis advocates, community organizations and other law enforcement agencies in a problem solving partnership focusing on the criminal prosecution of offender and the reduction of crime.

Our Division provides quality police services in the following specialized units: Auto Theft, Homicide, Cold Case Homicide Team, Domestic Violence, Elder and Dependent Abuse, Financial Crimes, Crime Scene investigations, Gangs, Juvenile Services, Alcohol Permits and Licensing, Sex Crimes, Computer Crimes, Volunteer Services or VIP, Special Tactical and Rescue Team (S.T.A.R.T.), Special Operations Section (SOS) and Detention Center (Lock-Up).

I will emphasize just a few of these interesting units here; however, this Annual Report will have information and statistics about most of the units in the division.

Auto theft in our society continues to be an issue. Vehicles are an important part of our daily lives. When a vehicle is stolen, it is usually an expensive loss that disrupts our routines. The goal of the Lansing Police Department Auto Theft Unit is the reduction and prevention of vehicle thefts and to assist with the recovery of stolen vehicles and the prosecution of those that steal vehicles. The Lansing Police Department Cold Case Team is responsible for investigating unsolved homicide cases. The team was created in 2010 and currently is comprised of investigators from a number of area departments. The Domestic Violence Unit is located within the same building as Capital Area Response Effort (CARE) center, which houses several public and private agencies that work together to address domestic violence. The Financial Crimes Unit is responsible for the investigation of criminal offenses involving forgeries, check cases, credit card offenses, fraudulent credit applications, embezzlements, computer crimes, bigamy cases and elder fiduciary abuse cases. The Lansing Police Department has a full service Crime Scene Investigations Unit which collects and analyzes physical evidence collected at crime scenes. The staff is trained in photography, latent print development, evidence collection, and crime scene reconstruction participates in major scene investigations. The Gang Suppression Unit focuses on emerging tagger groups that transition into criminal street gangs. The Gang Unit focuses on felony gang crimes committed by gang members and conduct extensive investigations into cases that ultimately remove the most violent gang offenders from our streets. The collective mission of the Street Gang Unit is to reduce gang related crimes and active gang membership in the City of Lansing. The mission of the Sex Crimes Unit is to conduct fair, impartial, and professional investigations of all felony sexual assaults involving victim 14 years of age and older that occur within the City. The Child Abuse Unit investigates sexual assaults involving victims under the age of 14. The goal of the Sex Crimes Unit is to resolve these investigations working with service area investigators, prosecutors, medical professionals, rape crisis advocates, community organizations, and other law enforcement agencies in a problem solving partnership focusing on the criminal prosecution of offender and the reduction of sexual assault. **Captain Ray Hall can be reached by mail to Captain Ray Hall, c/o of the Investigations Division, 3400 South Cedar Street, Lansing, MI 48910, by phone: at 517-483-4663 or by email to rhall@lansingmi.gov**

Specialized Units

Canine Unit

The Unit currently has eight Dog / Handler Teams which consists of five Narcotics Detection Dogs and three Explosives Detection Dogs. The Lansing Police Department Canine Unit is providing 24 hour canine coverage to the citizens of Lansing. Sergeant Chris Baldwin took over administration of the unit in September 2010.

Distinguished Service Medal - Officer Joel Mires

On November 5th, 2010, officers from the Lansing Police Department responded to a suicidal subject call. Upon arrival, the officers learned that the subject was armed with a handgun and was in the backyard of his residence. Officer Joel Mires was forced to maintain his position that provided no cover but quickly established rapport with the subject. Officer Mires remained calm and in control and talked the subject into surrendering his weapon. The subject was taken into custody without incident. Upon searching the area, it was also discovered that the subject had stashed a loaded rifle without proximity to himself. Officer Mires continued his rapport with the subject and additionally followed up with the subject at the hospital. Officer Mires demonstrated outstanding professionalism and negotiating skills during the incident, and placed himself at great risk to his personal safety in order to bring the incident to a peaceful resolution. Officer Joel Mires is awarded the Distinguished Service Medal. (See photo page 4)

Capital Area Dive Team

The Capital Area Dive Team (CADT) responds to all rescue & recovery open water incidents in Lansing, Ingham and Eaton County which involve people and objects. This includes all open water drownings, body search & recoveries and evidence search and collection. The Team provides security and law enforcement at special events in and around local waterways, provides water safety presentations and marine law education. The Dive Team supplements local fire departments with surface rescue and the Dive Team is the only unit capable of sub-surface search & rescue and recovery.

Crime Scene Investigation

Crime Scene Investigation requires the application of diligent and careful methods by which investigators recognize, identify, preserve and collect evidence. This helps determine what actually occurred during the commission of a crime. The Lansing Police Department CSI Unit is trained in crime scene processing, the care and handling of physical evidence, trace evidence, fingerprinting, photography, casting and courtroom sketches. The investigators handle all types of crime and accident investigations handling. Officer Phil Nardone and Officer Terry Blount cover the whole City as Crime Scene Investigators.

Life Saving Award – Officer Matthew Salmon and Officer Aaron Terrill

On August 13th, 2010, Officers Matthew Salmon and Aaron Terrill were dispatched to a female standing outside of the guardrail on the Cedar Street bridge. Officer Salmon arrived and was told by the female that she wanted to end her life. Officer Salmon was able to build rapport with subject and kept her talking until Officer Terrill arrived. The female became aware that another Officer had arrived and attempted to jump off the bridge. Officer Salmon was able to grab hold of the female and Officer Terrill ran to assist. Officer Salmon and Terrill were able to pull the female to safety. The female was taken to the hospital for evaluation. Due to the actions of Officer Matthew Salmon and Officer Aaron Terrill, a human life was saved. Officer Matthew Salmon and Officer Aaron Terrill are awarded the Life Saving award.

Traffic and Special Events Unit

The Traffic and Special Event Unit became more diversified than ever this year as it took on more duties and events than in years past. While the main focus was on keeping neighborhoods safe as far as traffic concerns go, the unit also participated in more than 77 Special Events throughout the City. The Unit takes pride in representing the City during events like the Silverbells Celebration, the many parades and foot races downtown. The Motorcycle Unit celebrated its 100th continuous year of service which is the longest in the State of Michigan. The positive interactions that this unit generates is obvious each time one of the motorcycle officers park in a neighborhood to monitor traffic. People, especially our kids, love the motorcycles and always come out to talk.

The Lansing Police Honor Guard

is comprised of volunteer officers who have committed themselves to the time and training required for the specialized duties. They are highly respected for their attention to detail and precision in representing the Department. The group has grown from an informal band of officers to a well-equipped and trained Honor Guard Unit that is frequently called upon to represent the Lansing Police Department.

The Honor Guard regularly participates in many community events such as the H.O.P.E. Scholarship Program, Law Enforcement Appreciation Week, the

Memorial services which pays tribute to the 911 tragedy at Wentworth Park. The Honor Guard also participates in the MI COPS Law Enforcement Memorial at the State Capitol in May, attends the COPS Ceremony in Washington D.C., participated in the 150 Century Parade, the Retiree's Dinner and the Lansing Police Department Awards and Recognition Ceremony. The most important function that the Honor Guard performs is the attendance and paying respect to the families and communities of officers who lost their lives in the line-of-duty and paying tribute to the deaths of retired Lansing Police Officers and their families. The Honor Guard attended nine funerals. To inquire as to the availability of the Honor Guard for a funeral or community function, please contact Sergeant Dave Ellis at dellis@lansingmi.gov

Honor Guard Members: Sergeant David Ellis, Sergeant William Byrnes, Officers Pete Scaccia, Keegan Stitt, Michelle Hood, Martha McGonegal, Shannon Thielen, Joel Mires, George Kelley, Nick Hughett, Sean Mills, Justin Moore, Jason Bock and Andy Becker.

Special Tactics and Rescue Team (S.T.A.R.T.)

The 1973 Crime Control Act enabled federal funding for police tactical units. The Lansing Police Department applied for and received such a grant, allowing the Lansing Police Department tactical team to be formed. From the beginning, the team was given the designation as the "Special Tactics and Rescue Team" (S.T.A.R.T.) The mission of the team is to save lives. Since the teams inception, that mission has never changed. It is accomplished by the application of specialized training, superior logistical support and team member dedication. City residents, the Department and team members are proud of the job S.T.A.R.T. does on an ongoing basis. When the citizens of Lansing need help, they call the police. When the police need help, they call S.T.A.R.T.

S.T.A.R.T. Service Commendation – Officer Kris Doerr, Officer Michael Schulte, Detective Ronald Seyka and Officer John Prince

The Lansing Police Department Special Tactics and Rescue Team (S.T.A.R.T.) provides a valuable law enforcement service beyond the capabilities of Uniform Patrol Officers. While becoming a law enforcement officer is more of a lifestyle than an occupation, becoming a S.T.A.R.T. Officer requires even greater lifestyle adjustments. S.T.A.R.T. Officers must not only maintain their normal assignment responsibilities but they are also required to excel in the entire realm of tactical capabilities. S.T.A.R.T. is an on-demand assignment that requires the officer to perform to their full potential at a moments notice. Rain or shine, family gathering or holidays, these officers constantly place themselves and their families below the needs of their fellow officers and the citizens of Lansing. S.T.A.R.T. duties entail difficult tasks involving personal risk to the officer's safety while executing drug related search warrants, high risk arrest warrants, dealing with barricaded gunmen or mental subjects threatening suicide. These sacrifices are made knowing full well the hazardous risks involved. These officers are commended for their dedication and commitment to both the Lansing Police Department and the citizens of Lansing for providing such a valuable service. Detective Ronald Seyka, Officer Mike Schulte, Officer Kris Doerr and Officer John Prince are awarded the S.T.A.R.T. Service Commendation. Their dedication and commitment resulted in the successful resolution of 400 high-risk operations.

Explorer Post

Officer Matt Kreft supervised the 42nd Lansing Police Department Explorer Post.

- The Explorers worked a total of 54 events this year including the H.O.P.E. Scholarship Ceremony, Cristo Rey, Bluesfest, Silverbells, Neighborhood Night Out and numerous McGruff appearances. The total amount of hours worked at these events was just under 180.
- The Explorers participated in 178 hours worth of ride along time with Lansing Police Department Officers in 2010. The experiences they have had were invaluable to their development and learning about patrol tactics, officer safety and applied law.
- The Explorers received 1455 hours of hands on training in law enforcement subject matter, firearms training and patrol tactics. This included participation in the state wide scenario competition and the youth law enforcement academy.

For the first time in 10 years, the Lansing Police Department Explorers won the 2010 statewide explorer competition (beating out 34 other teams) in Alpena, Michigan to bring the Governors Cup home to Lansing. We are currently training very hard to defend our title for this years competition in April.

Certificate of Merit – Officer Paul Beasinger On July 11th, 2010, Officer Paul Beasinger responded to a disturbance call in front of 333 East Michigan Avenue. Upon arrival, Officer Beasinger observed a subject in a wheelchair jamming a piece of glass into his neck. Officer Beasinger gave repeated commands to the subject but the subject continued to cut his own throat and began bleeding. Officer Beasinger deployed a taser into the subject which proved to be effective in stopping the subject from further harming himself. The subject was taken to a local hospital for treatment and for psychiatric evaluation. During this incident, Officer Beasinger's actions demonstrated outstanding performance of duty. Officer Paul Beasinger is awarded the Certificate of Merit.

A Message From Lieutenant Noel Garcia Staff Services Division

Lieutenant Noel Garcia oversees Central Records and the Property and Supply Unit (PSU). Central Records is responsible for processing and maintaining information on criminal reports, arrest records, traffic reports and traffic citations. Central Records submits crime statistics to the state and FBI, train employees in the records management system, process freedom of information requests, supply criminal histories to civilians and agencies, fingerprint citizens for employment and licensing, seal defendant records as ordered by the court, process licenses to purchase and gun registration, operate the department's AFIS (Automated Fingerprint Identification System), examine latent prints from crime scenes and handle subpoena delivery. These tasks are performed by Subpoena Officer Shawn Martinez, Randy Davis, Ken Lucas, Jason Pierce, Ellen Kutney, Rachael Hiveley, Abby VanderLaan and Ronna Shively.

In 2010 Central Records staff continued training of officers in the Winscribe dictation system. Officers were given additional training in attempts to encourage their use of the dictation equipment in the patrol vehicles and in police buildings. The training proved successful as the dictation statistics of reports increased from 10% in 2009 to nearly 20% in 2010. This improvement affirms the commitment of the department to keep officers in their patrol cars available for calls for service and away from being tied down to a computer typing a report.

The Property and Supply Unit is operated by Sergeant Bob Cantlon, Officer Alan Berish and Dan Abercrombie. The PSU is responsible for the receipt, storage, release and destruction of all evidence and property. The PSU is currently tracking approximately 130,000 pieces of evidence in its system. They also order and distribute department uniforms and keep inventory of the police department's equipment and supplies. In 2010, the PSU received and processed 8,720 items as evidence or other property and 6,744 were returned or destroyed.

In addition to managing Central Records and PSU, Lt. Garcia serves as the Public Information Officer, providing the media with information relevant to the Police Department.

In addition to managing Central Records and PSU, Lieutenant Garcia also serves as the Public Information Officer providing the media with information relevant to the Police Department. **Lieutenant Noel Garcia can be reached by phone at 517-483-4682 or by email to ngarcia@lansingmi.gov**

Citizen Medal of Valor – Alberto Cutie-Mena, Jason Doolittle, and Mark Warstler

On July 7th, 2010, Officer Daniel Riedel responded to an unwanted subject call at 2626 North Grand River at the Admiral Gas Station. As Officer Riedel made contact with the suspect, the suspect charged and actively assaulted Officer Riedel. Citizens Jason Doolittle, Alberto Cutie-Mena and Mark Warstler observed the attack and voluntarily rushed to assist Officer Riedel. Officer Riedel and the three men managed to pull the suspect to the ground and hold him down until Officer Riedel could handcuff the subject. Due to the immediate response and risking their own personal safety to come to the aid of a police officer, a violent suspect was taken off the street. Mr. Cutie-Mena, Mr. Jason Doolittle and Mr. Mark Warstler are awarded the Citizen Medal of Honor. (See photo page 5)

Lansing Police Subject Control Training Team

Community and Interagency Training and Presentations

The Lansing Police Department Subject Control Training Team consists of 11 men and women who serve within various assignments within the Department. This team is principally responsible for training sworn and Detention personnel in the critical verbal and physical officer safety tactics that prevent or mitigate harm to citizens and themselves. In addition, this team provides education and training to other agencies such as Department of Human Services Child Protective Service Workers, Code Enforcement Officers, School Security, police academies and police and security defensive tactics trainers.

Another important function is facilitating the personal safety awareness and defensive tactics education sought by our citizens. The Subject Control Team provides such training to neighborhood watch groups, church groups, corporate groups, youth groups, special needs groups and others at the direction of the Police Administration. The second year of our Rape Aggression Defense for Women (RAD) program was well received. The fourth RAD class graduated in December. Our presentations for the community are designed to provide awareness, prevention and intervention information for confidence building related to personal crimes. The trainers take great pride in this responsibility. They must maintain proficiency in a number of disciplines that include hand-to-hand tactics, less lethal weapons such as pepper spray and TASER, citizen self defense tactics and best practices for Police Use of Force training and policy. Our trainers are a tremendous asset to our Department and Community.

A Message from Interim-Director Bruce Gaukel

Emergency Communications Division 911

The Communications Division of the Lansing Police Department proudly serves the citizens of Lansing and Ingham County with thorough, efficient and professional 9-1-1 services. We are the 9-1-1 Center for the City of Lansing and Ingham County (except East Lansing, MSU and Meridian Township). Our 9-1-1 Center answers 9-1-1 and other emergency and non-emergency telephone calls and dispatch police, fire and Emergency Medical Services (EMS) for the following agencies and the communities they represent:

Delhi Township Fire Department
Ingham County Hazmat Response Team
Ingham County Sheriff's Office
Ingham County Sheriff's Heavy Rescue Team
Ingham Township/Dansville Fire Department
Lansing Community College Police Department
Lansing Fire Department
Lansing Police Department
Lansing/Mason Ambulance
Lansing Township Fire Department
Lansing Township Police Department
Leroy Township Fire Dept (NIESA)
Leslie Fire Department
Williamston Police Department

Leslie Police Department

Northeast Ingham Emergency Services Authority (NIESA Ambulance)
Onondaga Township Fire Department
Stockbridge Area Emergency Services Authority (SAESA) Ambulance
Stockbridge Fire Department (SAESA)
Stockbridge Police Department
Williamston Fire Department (NIESA)

We obtain the information needed from each caller to prioritize and dispatch the appropriate police, fire and / or EMS responses. In addition to gathering information and dispatching help, our well trained and professional staff will communicate pre-arrival medical care instructions to callers including guidance in CPR, clearing an obstructed airway, controlling bleeding and child birth. We are able to provide language interpretation services and communicate with hearing impaired callers (TDD/TTY).

Our 9-1-1 Center staff is also involved in notifying citizens of various community emergencies through a variety of technologies including: Outdoor Tornado Warning Sirens for the City of Lansing and Ingham County, Nixle broadcasts - road closures, missing persons, & other information and CodeRED community notifications by telephone (evacuations, shelter in place, etc.) For more information on Nixle and CodeRED, please go to www.lansingmi.gov and look in the City Spotlight section located at the bottom of the home page. We Remember the fallen Officers, Canine Handlers, and their Canine Partners who heroically and selflessly gave their lives while protecting our community and citizens. Let us always remember their sacrifice.

Gottlieb Sohn was a Lansing Police Officer from 1919 until 1943. Officer Sohn was working a downtown beat assignment and responded to a nuisance call at a local tavern. Officer Sohn suffered a heart attack during a fight with a subject he had arrested. A conference room at the North Precinct, 740 May Street was dedicated and named the Officer Gottlieb Sohn Memorial Conference Room on May 18, 2001.

Alexander Lang was a Lansing Police Officer from 1920 until 1932. Officer Lang was the first Lansing Police Officer killed in the line of duty when he was struck by a car while performing his duties as a police officer. The 2nd floor classroom at the Headquarters Building, 120 West Michigan Avenue was dedicated and named the Officer Alexander Lang Memorial Conference Room on May 15, 2001.

Mac J. Donnelly, Jr. was a Lansing Police Officer from 1968 until 1977. Officer Donnelly, Jr., responded to a bank robbery and hostage call. During a rescue attempt of the hostage, Officer Donnelly, Jr., was the first officer shot and killed in the line of duty. The Firearms Training Complex at 16001 Airport Road was dedicated and named the Mac J. Donnelly, Jr., Complex in 1978.

Julie Englehardt was a Lansing Park's Police Officer from 1974 until 1988. Officer Englehardt was the first woman officer killed in the line of duty when she responded to a larceny of a sled call in a city park. A conference room at the South Precinct, 3400 South Cedar Street was dedicated and named the Officer Julie Englehardt Memorial Conference Room on May 14, 2001.

Dean Alan Whitehead was a Lansing Police Officer from 1977 until 1985. Officer Whitehead was assigned as a helicopter observer. Officer Whitehead died when the helicopter developed problems and had to make an emergency landing. The large training room at the Firearms Complex, 16001 Airport Road was dedicated and named the Officer Dean Whitehead Memorial Training Room on May 16, 2001.
